CareNet Named to Inc. 500

San Antonio-based Healthcare Services Company Named One of Nation's Fastest Growing Companies

San Antonio, TX (August 13, 2009) – Inc. magazine recently announced its annual Inc. 500 ranking of the fastest-growing private companies in the country. CareNet, one of the nation's leading Healthcare Services Companies, ranked 487th with over 537.4 % growth since 2005.

"It is an honor to be named to the Inc. 500 list and a testament to the hard work of all our associates and team members," said John Erwin, President of CareNet. "As the need for quality health care information and support grows, CareNet expands with it to help more people solve their health issues quickly, efficiently and with the guidance of medical professionals who average more than 15 years clinical experience.

Founded in 1988, CareNet serves over 10 million members from across the country and represents more than 70 of the country's top healthcare organizations. Headquartered in San Antonio, Texas, CareNet has built the most experienced management team in the industry and utilizes leading edge clinical software systems and technology.

The 2009 Inc. 500 Fastest Growing Companies features a robust group of honorees, with CareNet securing one of only eight spots awarded to Texas companies. Most importantly, the 2009 Inc. 500 companies were engines of job growth, having created more than 90,000 jobs since those companies were founded.

"We are proud to provide our valued clients and their members with quality healthcare support on 24/7 basis," said CareNet Executive Vice President Vikie Spulak. "Each client is a partner in the mission to make a dramatic difference in their members' lives. Our team of healthcare professionals inspires and supports millions of people on their journey toward better health." CareNet's current offerings include Advocacy, Health Navigation, Nurse Triage, Medical Decision Support and Medical Device Monitoring Services.
