## **FOR IMMEDIATE RELEASE**

### **San Antonio Healthcare Business Continues to Hire** *Carenet Healthcare Services seeks to hire 200 for its San Antonio Campus*

**April 19, 2011 (San Antonio)** Carenet Healthcare Services, a performance-driven organization for [the healthcare industry](#), announced plans to expand its employee base by 200 during the next six months by partnering with nationally recognized healthcare companies and increased growth projections for the year.

In a continued trend of significantly expanding its client base, Carenet recently secured key partnerships in each of its markets including commercial and government sponsored health plans, pharmaceutical and medical device companies. The addition of these new clients amplifies the activity level of Carenet's San Antonio corporate campus with an increased emphasis on solutions offering considerable savings for the member populations it serves.

"There are several pieces of news here. Carenet is bringing 200 new jobs to San Antonio, we are establishing relationships with the biggest names in the healthcare industry," said John Erwin, president of Carenet. "And we are continuing to make a difference in the lives of millions by helping them to realize savings on their drug spend, ensuring they get a needed screening such as a mammogram, or helping to monitor a chronic condition. We have successfully evolved to a full-service, performance-driven solutions organization for healthcare."
